A grant of Exclusive Right of Burial will apply to all plots for burial and cremated remains. Permission for memorials, or interment of cremated remains in existing graves will only be permitted where a grant of Exclusive Right of Burial has been purchased.

Payment for interment in the Cemetery only will give no such rights to a grave space or plot. Written application can be made to the Clerk at the end of the fifty-year period for a ten-year extension to the grant of Exclusive Right of Burial on payment of the fee applicable at the time.

All applications to erect memorials should be submitted to the Clerk to the Parish Council in duplicate with a sketch of the headstone, full measurements and particulars of inscription. Kerbs are not permitted.
