Lay Chair Ramblings...

It's late September as I ramble in my thinking toward the end of 2024 and the dawn of 2025, but maybe the end of the world as well with the Middle East on fire!

Here in the Wolds, most fields are now bare and many already mucked, sprayed and tilled for the next sowing. I have however, spotted a few maize, bean and flax fields still awaiting the harvester's attention. Summer has gone and once again, plenty of rain has been falling. Autumn colours have browned and flamed and our resident, chunky hedgehog will soon be looking for a hollow in which to snuggle and over-winter. The cycle of the Seasons is nearing completion for yet another year as we sink towards deep climate-changed winter and approach the shortest day of the year. The darkest days are here and it's time to hunker down in the duvet or snuggle in front of the glowing log-burner with games, the TV or a good book.

Its 'build-up' time to another Christmas. Dark days need some jollity, lightness and brightness. How about singing a carol or, a rush to the shops to clear the shelves or, grabbing those gift catalogues pushed through the letter box (and thence to the bin?) to search for a little something for Auntie Mabel or, a last-minute dash to the computer for inspiration, for a forgotten present that can be on your doorstep tomorrow?

I hope you have strong family ties that will give you a buzz, a glow of expectation and lightness as Christmas approaches. Whether your Christmas is quiet and peaceful, a teaming and tumbling family party, a chance to escape from the dazzle, or sadly, a lonely time perhaps dogged by sickness or worse, bereavement, I hope you will have time to think about the Bethlehem story. Let it be longer than a glance at the images on Christmas cards; a cringe at the canned carols playing in a superstore or attending an off-beat Nativity play by the little ones at the village school. Just as we celebrate our birthdays, so the annual celebration of Christ's birth, God becoming man, well, an innocent baby at the time, is what makes Christmas so important for Christians.

In the Bible, John 3:16 says that 'God loved His world, this world, the Blue Planet, SO much that he had to connect with us at our level by being born among us as human (Jesus) so that if we can bring ourselves to believe and trust Him (thus avoiding self-destruction), we can have and will have Eternal life'. Amid all the searching and uncertainty in the world today this might be the only answer that works. I happen to think it is. Dust off that Bible and have a read.

The News and countless Charity Appeals tell us of hurt, chaos, warring, fear, greed, loneliness, sickness, famine and deprivation in so many places and lives. It is obvious how mankind is more expert than ever at making a mess of the world. In the meantime, I hang on to the 'HOPE' I have, that started with the baby Jesus. Ridiculous as this baby can seem he is the basis of the Happiest Christmas.

HAPPY CHRISTMAS & MAY 2025 BE A WONDERFUL YEAR FOR YOU ALL

Speeding in village and on Caistor High Street.

Cllr. SpeedWatch confirmed that Benniworth does not fulfil the criteria for a 30 mph speed limit. They did offer speed gun. It was also suggested that there be "beware Pedestrians and Horses" signs at either end of the village mounted on gates at the side of the road which may have some effect, and also address the issue of speeding cyclists.

In Remembrance

When shadows cast and twilight falls, We pause to heed the silent calls. Of those who walked this earth before, And left their marks forevermore.

Their laughter lingers in the air, Their love surrounds us everywhere. In hearts and minds, they still reside, A beacon, lighting paths untried.

Though time may heal the deepest wounds, In memory, their essence looms. A cherished whisper, soft and kind, A gentle touch within our mind.

So, let us honour, let us tell, The stories where their spirits dwell. With every tear, with every sigh, Their legacy, will never die.

The Importance of Kindness.

The holiday season is an important time to extend kindness and empathy to others. Small gestures of compassion can make a significant difference to someone feeling alone.

An unexpected invitation, a heartfelt message, or even a warm smile can brighten someone's day. While

Christmas is often depicted as a time of universal joy,

it's essential to acknowledge and support those who find it challenging. Together, we can create a more inclusive holiday spirit that embraces everyone, regardless of their circumstances.

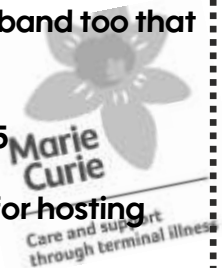

Marie Curie Tea Party Feedback

A huge thank you to everyone who attended and provided cake, raffle prizes and help on the day. Thank you to the band too that kept us jolly.

The total sent to Marie Curie was an amazing £1085

Big thanks as always to Maggie and Roger Lindley for hosting and organising the tea party. Well done!!!

Newsletter October 2024

David Bellamy was elected as a councillor in an uncontested election. We are grateful to Dave for agreeing to be a councillor.

We have 2 further vacancies. It is hoped that the parish council will co-opt a further two councillors on 5 November 2024. If you would be interested in being co-opted onto the parish council please contact the clerk Mrs Viv Davies > doningtononbainpc@gmail.com

Flood Risk Management

The Parish Council is working to reduce future flood risk and has paid to get the culvert cleared. It has been noted during these works that properties adjoining the culvert have put their grass cuttings on the culvert side of their fence which are in danger of falling into the drainage culvert. This could cause flooding issues and will increase parish council expenditure in clearing the culvert. Please could residents backing onto the culvert dispose of their grass cuttings in the appropriate waste bins.

We are also aware of children playing in the culvert. Please could you ensure this does not happen.

Little Treasures Baby Bank

has been established in Horncastle since 2019 and our home is a unit on the industrial estate on Boston Road. Nearly all of our equipment comes from donations from local families and we are run by volunteer helpers who give freely of their time to help the community.

We work entirely via referrals from health care professionals who are supporting families in need. Our health care workers can be: social workers, GPs, midwives, schools and children's centres (in fact just about anyone working to support families in need) and we aim to provide all types of baby equipment - including: cots, prams, clothes, toys and games and nearly anything else you can think of! We supply equipment for children from birth to 5 years old - although if required we will try to obtain items for older children if we can.

In order to access our service, all we need from you is an email, message via Facebook or Whatsapp telling us what the family you are supporting needs, and we will try to find it and will arrange a time for you to come and collect it to pass on to the family. Requests can be small or large – from a few toys and books, up to a cot, pram, highchair plus clothes for a new baby.

If you know someone who you think might be struggling or you are already working with a family who might need a bit of extra help, please give us a call and see if we can help. You can contact us at littletreasuresenquiries@gmail.com or look for our Facebook page.

Annual Parish Meeting

The latest meeting of the Parish Council took place at the Three Horseshoes on Monday 2nd September 2024 at which two parish residents and the elected district councillor were also in attendance.

The business that required conducting was quite short so there is very little to report from the Council itself.

New guidance for residents in the event of flooding is now on the Council website.

In December, the Council will be setting its budget for the next financial year 2025/26. If residents have any thoughts around any specific items/schemes that might benefit from funding through the annual precept, please contact the Clerk by email at agparishcouncil@mail.com.

A wreath has been purchased by the Council which will be laid during the remembrance service which will be held at All Saints on Sunday 10th November.

The next meeting of the Parish Council will be held on Monday 2nd December at 7:00pm at All Saints, Goulceby.

As previously reported, should anyone be interested in becoming a Parish Councillor they should contact the Parish Clerk, Diane De Halle, by emailing Diane at agparishcouncil@gmail.com

The current councillors are:

Jon Mold (Chair) - Sycamore Lodge, Goulceby

Ian Taylor - Lavoir, Goulceby

Graham Johnson - Lindores, Goulceby

Contact details are on the Council's website which can be found at <https://asterby-goulceby.parish.lincolnshire.gov.uk>

Winter fuel allowance

whether they might qualify for pension credit, as qualification for this will unlock the winter fuel payment. There is currently a drive by the DWP to encourage pensioners to look into whether they might qualify for pension credits. Please use the following link for full details www.gov.uk/government/news/you-could-get-pension-credit-week-of-action-to-drive-take-up. Some energy suppliers also offer help for those struggling with their energy bills.

All Saints Church

The friends of All Saints Church, Goulceby held a successful Art & Craft Exhibition in September, which was well supported by both artists and visitors. The plasterwork repair is now complete and is drying out well. The next phase of the restoration work will be the repainting of the church. This will require a further fundraising effort and grant applications.

Over the winter season, monthly coffee mornings are planned to give the community a chance to meet in a warm, friendly and well-lit space. Future dates are Tuesday 12th November and Wednesday 4th December. Any groups wishing to use the church on a regular or one-off basis are very welcome to contact Caroline Taylor, 01507 343352, carolinetaylor@btinternet.com.

St. Martin's Church, Scamblesby

The recent Art & Craft fayre at the church was a successful event. Thank you to the exhibitors and stall holders and all that attended to support us despite it being a wet afternoon.

Brian Hague, who has done the grass cutting in the churchyard for many years has decided to 'hang his mower up'. A massive thank you to you Brian for everything you have done. We are of course looking for someone to fill Brian's boots and help us maintain the churchyard. If anyone has a bit of time to spare and would like to help the church, please contact Derek > edirk2000@yahoo.com

In addition to the regular monthly services, we have the Asterby Group Remembrance service at St. Martin's on Sunday, 10th November at 10.45am and the annual Scamblesby Carol service on Friday, 20th December at 7pm. All are welcome.

Feedback from the Benniworth BBQ

On a lovely warm evening in the middle of August, a good number of Benniworth residents gathered in the beautiful gardens of the Old Rectory for a barbecue, organised by the Parish Council.

The food was provided by the Parish Council, and a modest fee was charged to cover the cost. Everyone brought their own refreshments, and a number of people provided salads and cakes to add to the event. It was the first opportunity for a long time for people to get together in relaxed surroundings and chat to neighbours who, during the course of a busy week, may only get to stop to say hello. The Parish Council would like to thank Mr. and Mrs. Waterhouse for their generosity in providing the venue.

A letter from our rural Dean

To Wragby Group of Parishes, United Parish of Bardney, Asterby Group of Parishes, Hemingby Group of Parishes.

Dear Friends,

Sunday 3rd November 9.30 St. Swithin, Baumber - Holy Communion led by the Bishop of Grimsby. At this time when many search for meaning, belonging and purpose there is so much that good people do through our local churches and in the community to share the Good News of God's love, care, and purpose shown to us in Jesus.

The bishops seek to visit each area of Lincoln Diocese, to lead a service for all the people in the area and to meet the local people. It is the turn of the Bishop of Grimsby to visit the area of the Wragby Group of Parishes, the United Parish of Bardney, the Asterby Group of Parishes, and the Hemingby Group of Parishes and to lead a service for this area. This episcopal visitation is an important part of the ministry of the bishop and is a valuable opportunity for people to meet and share with the bishop. It is hoped that, where possible, the usual services scheduled for the morning of this service are postponed to enable attendance.

The service will be Sunday 3rd November 9.30 St. Swithin, Baumber - Holy Communion led by the Bishop of Grimsby. It is a beautiful church with a very warm welcome.

Please could you share the information about this important service with the people and churches in your area, and perhaps arrange help with transport if required.

Thankyou, Peace, Hope, Love, Joy,

Revd. Mark Holden - Rector, Wragby Group; Rural Dean, Horncastle Deanery.

The Bible? The New Testament? Church? Are these relevant to me?

Another question that I asked myself many years ago, before I was a regular attendee at church, before I had any faith. It is still a good question and one worthy of an answer.

Discerning the relevance of the message of the Christian church, more specifically the Bible's New Testament, in today's world can feel a bit like being a detective in a historical drama, minus the deerstalker hat and magnifying glass. Firstly, consider the context: the New Testament was written in a time of sandals and parchments, not smartphones and Cloud storage. Yet, its themes of love, sacrifice, and redemption are timeless, echoing through the ages like the world's longest-running soap opera.

One can look at the New Testament not just as a collection of ancient texts, but as a dynamic blueprint for living. It's about finding the universal truths nestled within parables and stories that transcend the first-century Middle East and feel just as at home in a 21st-century coffee shop.

The key is to engage with the subject critically and reflectively, asking not just "What does this say?" but "What does this mean for me, for us, in the here and now?"

In essence, discerning the relevance of the New Testament is an exercise in translation, not from Greek to English, but from ancient wisdom to modern life. It's a journey of 2,000 years, give or take, and the destination is understanding how these old stories spark new insights in the human heart.

While there are many different types of Christian church, most of them will have someone who can answer your questions. And if you're not quite ready to go to a church, there is a great (free) course called the Alpha Course which is run for people with no or little experience of the Christian faith, or those who want a fresh view. It's a place where you can ask all of those 'silly questions' (which I can guarantee will not be silly at all) that you've never been given answers for. The courses take place all over the country, and some run online too. Find out more here: <https://alpha.org.uk/try>

I wish you well with your exploring!

We were asked the question, 'Is AI the future?'

The description of the Lincolnshire Wolds created by AI was interesting but omitted many of the things which those of us who are lucky enough to live here know and enjoy. We need the human input as well as the information supplied by AI. Here are my thoughts on the joy of living in this beautiful area.

Life On The Lincolnshire Wolds.

Nature's bounty is our wealth,
Sustaining life and mental health.

Listen when the blackbird sings.
Watch the barn owl glide on silent wings.

Wonder at the ethereal sight.
Of infinite stars on a calm, clear night.

The scent of tiny flowers on lime trees.
With the gentle hum of foraging bees,

Organic, home-grown fruit and veg,
Rose hips, nuts and brambles in the hedge,

Wild flowers, birds and insects thrive, S
nipe, voles and otters still survive.

We have to take the good with the bad.
When rabbits and ragwort drive us mad!

The touch of warm soft fur or a cold wet nose,
Brushing pet hairs from our clothes,

The love of family and friends.
On which our happiness depends.

In these good things we find Peace, and healing of the mind.
